BRitish Islamic Training & Education

Summary and Feedback of Action for Children's Cultural Awareness Course

Action for Children is a UK based charity committed to supporting the most vulnerable and neglected children in society.

“We felt we learnt so much, especially as you had ensured a safe learning environment, where we could ask questions without feeling silly or ignorant...I would recommend this awareness raising training without hesitation.”

Joanne Wadsworth
Senior Project Worker
Action for Children

SERVICES

BRitish Islamic Training & Education

On 20 July, 2011 thinkBRITE Services delivered Islamic cultural awareness training to North West Action for Children staff.

Who attended?

- Front line team members
- Social services staff
- Family support staff
- Adoption and fostering team members
- Senior project workers and managers

What was covered?

A half day bespoke training package was delivered covering the following themes:

- Understanding the cultural landscape – differentiating between religion and culture
- Case studies with group work and discussion
- Tour of a mosque including observation of a live prayer session
- Understanding the parent – child relationship in Islam
- What does Islam say about child protection and the rights of children?
- Examining contentious issues such as child abuse, honour based crimes and forced marriages

What our delegates said...

(All quotes actual comments taken from feedback forms)

**“Interesting,
informative,
enjoyable and
myth busting.”**

“The best onion bhajis and samosas!”

**“The information
both electronically
and on paper is
great – a tool we
can refer to if
needed.”**

**“We were engrossed
and the time flew so
quickly.”**

**“I would recom m end this cultural awareness course
without any hesitation.”**

**“Fabulous and
very informative.”**
